1. The following is an examiner's statement of reasons for allowance: Independent claim 1 requires "a setting unit configured to set an image size change or a move of relative position in the image for at least one tile; a position information changing unit configured to generate the second code stream by adding position information indicating a new position in the image for the tile or tiles of the first code stream for which the setting unit set the image size change or the move of relative position in the image". The remaining claims require similar combination of elements. None of the prior art whether taken singly or in combination discloses such combination of elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuoc Tran whose telephone number is (571) 272-7399. The examiner can normally be reached on MON-FRI.
